Mass Air Flow (MAF) Sensors

- 100% new product
- No core charges or handling
- Warranty rate reduction through extended field life of 100% new product

Product Line Coverage

120+ SKUs for the European Market

- Extensive full line program covering all makes and models
- Light and medium-duty cars/trucks
- Continually adding new products to meet changing market demand

Mass Air Flow Sensor Manufacturing Expertise

- WAI is the actual designer, manufacturer, and OEM certified supplier of the MAF sensors
- 40+ years of proven experience in designing electronics for Automotive applications
- Utilizing a lean manufacturing process allows WAI to provide the best pricing, while consistently delivering premium quality product
- Thermally compensated product that is utilizing micro-controller technology which is capable of controlling the MAF output at OEM quality and precision level. WAI Patent # 9,441,994 B2
- ISO 9001, TS 16949 and ISO 14001 certified

Superior Quality Sensors

- Dual aluminum wire bonding
- Flexible microprocessor design
- OEM quality manufactured sensor
- OEM equivalent testing procedures
- Outperforms competition when tested under extreme temperature environments (-40°C to 120°C)
## Top 10 MAF Sensors
