

HD WIPER MOTORS

POWERFUL PACKAGE

UNRELENTING STRENGTH

Outstanding performance capabilities prove this is the motor to replace OE motors and keep wipers running - even in the harshest conditions. Each unit contains 100% all new components that are precision assembled and are unmatched in quality and performance.

PREMIUM ELECTRONICS

Programmed with native OE protocols, including LIN2. Comes with built-in overload safety protection, heat dissipation characteristics and power draw controllers.

OEM EQUIVALENT

As an OEM supplier, we ensure that all parts and components are tested against OEM specifications to equal them, or exceed them.

PERFORMANCE LEGACY

Ultra light Aluminum housings increase durability and keep the motor cavity cool. Sealed electronics prevents failure due to corrosion.

FULL COVERAGE

Be confident we have you covered with our extensive range of all makes and models. We remain the leader of first to market products, all developed with our innovative technologies and high endurance components.
