WETHERILL ASSOCIATES INCORPORATED

THE WAI DIFFERENCE.

SUPERIOR TECHNOLOGIES

WAI designs and builds our electronics at our Transpo division using innovative and cutting edge technologies to improve parts quality and reliability.

SUPERIOR QUALITY

Experience significantly reduced warranty rates.
Technicians prefer new products over re-manufactured products.
Engineering, quality control and constant improvement are our benchmarks.

SUPERIOR VALUE

All products are 100% new and have no core investment.
WAI products provide excellent profitability for our customers.

SUPERIOR COVERAGE

WAI has a complete offering of products.
We introduce new products every month to the industry.
Our "First to Market" strategy means our customers have the latest products available.
