

WIPER MOTORS

POWERFUL PACKAGE

OEM EQUIVALENT

As an OEM parts supplier, we ensure that all parts and components are tested against OEM specifications to equal them, or exceed them.

UNRELENTING STRENGTH

Outstanding performance keep wipers running - even in the harshest conditions. Each unit contains 100% all new components that are precision assembled and unmatched in quality and performance.

PREMIUM TRANSPON ELECTRONICS

Transpo is the leader in high quality pulse boards.

PERFORMANCE

Ultra light aluminum housings and sealed electronics prevents failure due to corrosion.

EXTENSIVE COVERAGE

Be confident we have you covered with our extensive range of all makes and models. We remain the leader of first to market products, all developed with our innovative technologies and high endurance components.

WIPER MOTORS

SMOOTH AS GLASS.

EXTREME PROTECTION MEASURES

High performance magnets deliver the amount of torque needed to withstand extreme weather conditions.

REDUCE OPERATION FAILURE

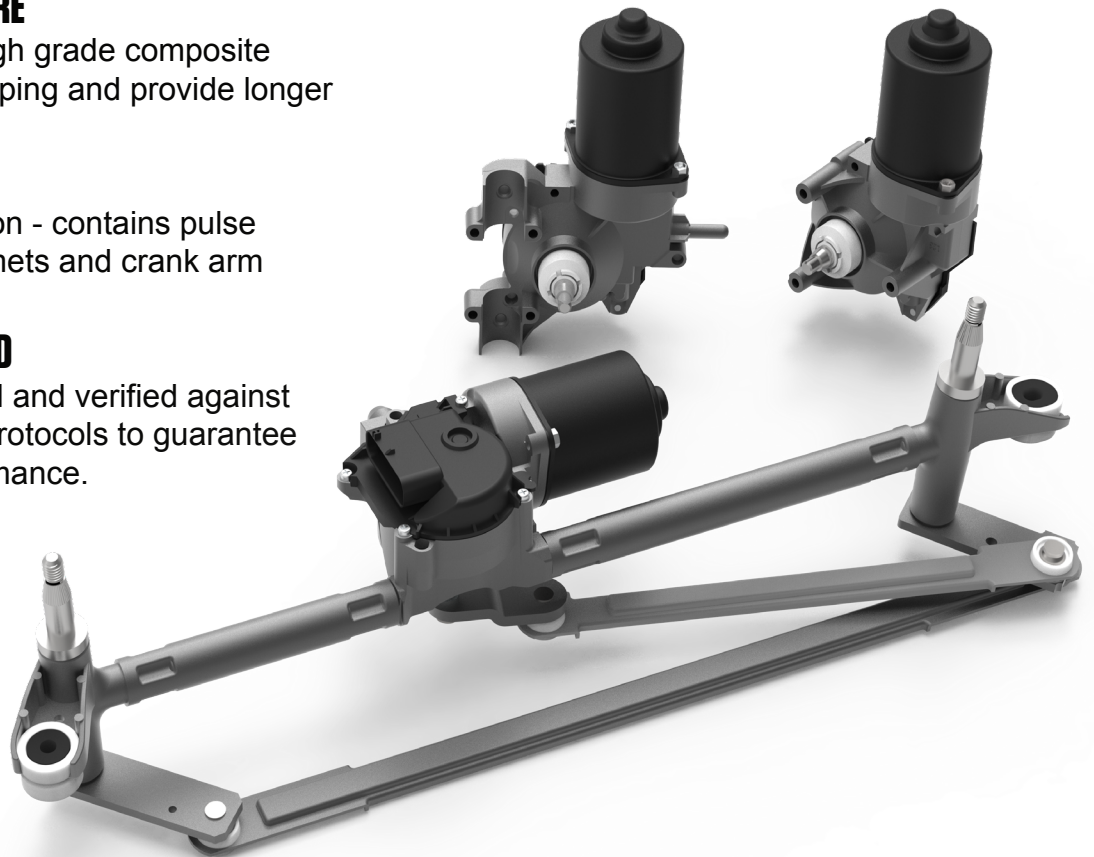

Gears are made from high grade composite materials that resist stripping and provide longer life.

READY TO INSTALL

100% all new construction - contains pulse boards, mounting grommets and crank arm when required.

COMPREHENSIVELY TESTED

Each unit is 100% tested and verified against OEM specification test protocols to guarantee the best possible performance.
